

# **SUSTAINABILITY & ESG REPORT FY2025**

## **NorthRiver Industrial Components Group (Fictional)**

Disclaimer: Figures may be estimated, incomplete, restated, or derived from secondary sources.

### **CEO Statement**

Committed to sustainability despite ongoing data quality challenges.

### **Reporting Boundary**

Facility C acquisition caused reporting inconsistencies and missing water data.

### **Material Topics**

Climate, energy, safety, sourcing, governance.

# Environmental KPI Table

| Metric                 | 2023   | 2024      | 2025   |
|------------------------|--------|-----------|--------|
| Electricity (MWh)      | 11,240 | 11,801    | 10,972 |
| Natural Gas (MWh)      | N/A    | 5,123     | 4,876  |
| Scope 1 Emissions      | 1,234  | Estimated | 1,101  |
| Water Consumption (m3) | 88,200 | -         | 91,770 |

*Note: 2024 values partially reconstructed from invoices.*

## Supplier Data Limitations

Supplier emissions data covered only 63% of procurement spend. Remaining values were estimated.
